(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner indicated that, while the subject matter of the elected inventions (claims 1, 5-7, and 10-13) appear to be allowable, further examination would be required of claim 4. The Applicant indicated that they would be willing to cancel this claim from the application.

The Examiner also indicated that certain amendments were required to claims 1, and 10-13.

With respect to claim 1, the comma between the phrases "supresses apoptosis" and "in myelin sheath cells" would be removed.

It was agreed that the changes would be made by Examiner's Amentment.
